triffids is a post apocalyptic genre piece pure and simple written in 1951 by british author john wyndham the book tells the story of bill masen nbsp the day of the triffids is perhaps the most famous catastrophe novel of the twentieth century and its startling imagery of desolate streets and lurching lethal plant life retains its power to haunt today the stories are retold so as to lose none of the strength and character of the originals however the real power of this book lays not in its pure invention but rather in its matter of fact depiction of such bizarre phenomena happening so suddenly in the midst of day to day life as the novel ends narrator bill masen is escaping with his wife and four year old son to join a small colony of survivors on the isle of wight simon clark s elegant and exhilarating sequel picks up the story twenty five years later collects short stories set in locations around the globe that feature the voices of the disenfranchised the lost and the mistreated penguin decades bring you the novels that helped shape modern britain chocky the last novel wyndham published during his life is a playful investigation of what being human is all about delving into such matters as child rearing marriage learning artistic inspiration and ending with a surprising and finally sea levels begin their inexorable rise the kraken wakes is a brilliant novel of how humankind responds to the threat of its own extinction and ultimately asks what we are prepared to do in order to survive the midwich cuckoos is the classic tale of aliens in our midst exploring how we respond when confronted by those who are innately superior to us in every conceivable way 27 4 1963 nbsp 0183 32 ver v 237 deo nbsp 0183 32 up to date setting of the 1962 sci fi
